Stay Connected! Future 5 at Norwalk Community College (NCC)

A pilot program launched in the 2015-16 academic year to establish on-campus support for our 45+ Future 5 high school graduates pursuing a college and career path at NCC.

120+ student visits during winter semester of the 2015-16 academic year

90% of the Future 5 students who started NCC in the fall of 2015 returned for the spring 2016 semester.

Future 5 helps motivated, low-income high school students in Stamford connect to their full potential.
